Helicopter Flight Disclaimer

Helicopter operations are highly dependent on weather conditions and government regulations.

While helicopter flights operate smoothly in approximately 95% of cases, sudden changes in weather can impact operations in about 5% of cases.

In the event that the helicopter is unable to fly due to weather or regulatory reasons, passengers will be given the option to cover the journey by road in a comfortable cab at no additional cost.

Please note:

Flight timings may be adjusted for safety reasons

Safety decisions taken by the aviation operator are final.

Passenger Weight & Luggage Policy (Helicopter)

Passenger Weight & Luggage Policy (Helicopter)

- Maximum passenger body weight: 75 kg per person
- Luggage allowance: 5 kg per person (soft bags only)

Any excess weight (body weight or luggage) is charged at Rs 100 per kg by the operator at the time of boarding as per operator norms.

Excess weight may also affect seating or flight feasibility in certain conditions.

Passengers are requested to declare accurate body weight at the time of booking to avoid last-minute issues.
