

Sky Trip to Kainchi Dham

And Lakes of Kumaon

Day 1: Dehradun → Naukuchiatal (Helicopter Flight)

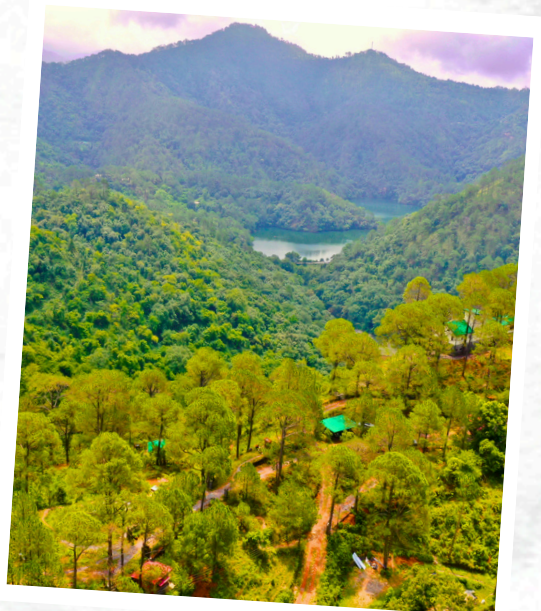

- Arrive at Jolly Grant Airport, Dehradun by 7:15 AM.
- Fly to Naukuchiatal by helicopter (approx. 40 min).
- Check in at a heritage lakeside property surrounded by mountains.
- Enjoy a refreshing welcome drink and settle in.
- Visit Kainchi Dham Temple (optional: light trek to a nearby viewpoint).
- Spend the evening at Bhimtal or Sattal, followed by high tea by the lakeside.
- Night at the property with bonfire & group dinner (self-paid)

Highlights: Scenic helicopter views, temple visit, relaxed luxury stay, first group evening together.

Day 2: Exploring Nainital & Surrounding Lakes

- Breakfast at the property.
- Head out for a day trip to Nainital – boating at Naini Lake, mall road café hopping, local shopping.
- Explore hidden lakes like Sattal and Bhimtal.
- Spend a chill evening at the property with music, conversations, and lakeside vibes.

Highlights: Local culture, lakeside cafes, group bonding, and picture-perfect spots.

Day 3: Relaxed Morning + Helicopter Return

- Start your day with a morning walk or nature hike.
- Breakfast at the property.
- Enjoy your last few hours soaking in the mountain air.
- Afternoon helicopter flight back to Dehradun (Jolly Grant Airport).
- Optional: Visit the Colonels cafe just 5 minutes walking distance away from the helipad.

Highlights: Helicopter return flight, farewell moments.

Sky Trip to Kainchi Dham

And The Lakes of Kumaon

Things to know before booking

Cancellation Policy

- 90% refund if the trip is cancelled 30 days or more before the departure date
- 50% refund if cancelled between 30–20 days before the trip
- 20% refund if cancelled between 20–5 days before the trip
- No refund if cancelled within 5 days of the trip
- All cancellations must be communicated in writing.

Helicopter Flight Disclaimer

Helicopter operations are highly dependent on weather conditions and government regulations.

While helicopter flights operate smoothly in approximately 95% of cases, sudden changes in weather can impact operations in about 5% of cases.

In the event that the helicopter is unable to fly due to weather or regulatory reasons, passengers will be given the option to cover the journey by road in a comfortable cab at no additional cost.

Please note:

Flight timings may be adjusted for safety reasons

Safety decisions taken by the aviation operator are final.

Passenger Weight & Luggage Policy (Helicopter)

Passenger Weight & Luggage Policy (Helicopter)

- Maximum passenger body weight: 75 kg per person
- Luggage allowance: 5 kg per person (soft bags only)

Any excess weight (body weight or luggage) is charged at Rs 100 per kg by the operator at the time of boarding as per operator norms.

Excess weight may also affect seating or flight feasibility in certain conditions.

Passengers are requested to declare accurate body weight at the time of booking to avoid last-minute issues.
